

Johnnie Walker® RED LABEL®

The world's best selling Scotch whisky. Robust, sweet and smoky, this blend of grain and malt whiskies is truly charismatic. Its intense flavours ensure that, no matter what you mix it with, its distinctive character cuts through.

Johnnie Walker® BLACK LABEL®

This award-winning brand is recognised by experts as the benchmark premium whisky. Its complex blend offers layers of soft, almost creamy vanilla flavour with hints of fresh and rich fruits, the peppery, fiery taste and the smoky, peaty notes. Each malt and grain whisky within the blend has matured in oak casks for 12 years or more.

Johnnie Walker® GREEN LABEL™

This rich and vibrant Blended Malt is created by using only single Malt Scotch whiskies. Each Malt whisky in the blend is matured for at least 15 years in oak casks. It offers perfectly balanced flavours of forest, sea and fruit. The single malts in the blend are subtly apparent but work in harmony to form a smooth flavour that changes each time you pick up the glass.

Johnnie Walker® GOLD LABEL®

Few whiskies offer as indulgent an experience as this Centenary Blend. Its blend represents Scotland's finest whiskies each matured for at least 18 years. It has a characteristic silky smoothness with honeyed creamy notes, which give it an unusually seductive aroma and voluptuous breadth of flavour.

Johnnie Walker® BLUE LABEL®

It is the jewel in the crown of the house of Walker. It has won more gold medals for excellence than any other super premium Scotch whisky. Each of the whiskies in the blend is specially selected from the finest and rarest reserves chosen to be at the peak of perfection. There may be whiskies as old as 60 years in the blend. Each sip may reveal hidden secrets of hazelnuts, rose petals, sherry, oranges, aromatic smoke, sandalwood, dark chocolates... beyond description.

CLASSIC MALTS OF SCOTLAND

£3.95

Lets take you onto a journey of taste with whiskies from different regions of Scotland.

GLENKINCHIE (12 YEARS) 43% ABV - LOWLANDS

A light, sweet nose with fresh, slightly sweet flavours of grass, fruits and malt giving way to an intense smoky-dry, spice-filled finish. Also known as "The Edinburgh Malt".

DALWHINNIE (15 YEARS) 43% ABV - HIGHLANDS

A crisp, dry aromatic nose, then soft flavours of heather, honey-sweetness, malt and citrus-fruits lead to a lingering, sweet finish and finally more smoke, peat and malt. Highest distillery in Scotland.

OBAN (14 YEARS) 43% ABV - WEST HIGHLANDS

A sweet peat and fruity nose with a spicy mouth-filling sweetness and a long drying finish with smoke and some salt. Known as small but perfectly formed distillery in Scotland.

CRAGGANMORE (12 YEARS) 43% ABV - SPEYSIDE

Sweet floral fragrances with a firm body and malty taste, a long finish with delicate aromas and light smoke. From the most popular region of Scotland "The most complex nose of any malt whisky." - Jackson (Whisky Connoisseur).

TALISKER (10 YEARS) 45.8% ABV - ISLANDS

A pungent peat and sea-salt nose, a smoky sweetness with malt-flavours and developing warmth with a huge peppery finish. The only Single Malt Scotch whisky from the Isle of Skye. It has won more IWSC Awards than any other single malt whisky up to the age of 12 years. It is a well-known fact that there is no single malt whisky such as Talisker in Scotland.

LAGAVULIN (16 YEARS) 43% ABV - ISLAY

A powerful, peat-smoke nose with seaweed and some sweetness, salty and sweet flavours with hints of wood and a long peaty-salt finish. Dare not touch it unless you are a whisky connoisseur.
